Give Kids A Chance Awards 28 Scholarships To Low-Income Students

MIAMI, FL — June 30, 2016 – *Give Kids A Chance*, a charitable foundation that provides college scholarships to low-income students, announced that it has awarded 28 scholarships to high school seniors across Florida for the Fall 2016 semester.

Founded in 2004 by [Brian J. McDonough](#), a Real Estate Shareholder at the law firm of Stearns Weaver Miller, *Give Kids A Chance* is a donor-advised fund that provides scholarships to children of low-income families statewide to assist them in attending college. The fund has raised over \$1 million and awarded over 388 scholarships since its inception.

“Every year we are amazed and impressed with the number of students applying for scholarships and their inspiring stories,” said Mr. McDonough. “This year was no different, making the review process a challenging one. We thank all applicants for taking the time to send in their applications and share their stories with us. We wish you all the best as you pursue your education and realize your dreams.”

The charity’s main fundraising event is an annual golf tournament held in Miami Beach, attended by leaders in the affordable housing industry who support the program.
