Greetings Friends,

The Miami Foundation will celebrate its 10 year partnership with the Give Kids A Chance Fund at this year's National Philanthropy Day. As a member of the Foundation's Ruth and Richard Shack Society, the Fund has raised over \$1 million and has awarded more than 300 scholarships to children from lower-income families. The Miami Foundation partners with individuals, families and corporations in the community to create customized charitable vehicles. Brian McDonough brought his charitable interests to the Foundation in 2004 and created the Give Kids A Chance Fund to provide students with four \$1,000 grants, a grant for each year they are enrolled in college courses. The Foundation has been privileged to support the philanthropic efforts of the Give Kids A Chance Fund and is proud to recognize Brian this year as the Foundation's table honoree at the National Philanthropy Day luncheon on November 12, 2014.

Regards,

Janell Kaplan
Development Officer
