Dear the Give Kids A Chance Scholarship Donor,

I would like to take this opportunity to thank you for your generosity to help me achieving my dream. I am very happy and deeply appreciative to learn that I have been qualified to become a recipient of your scholarship.

I am currently majoring in Nursing with hopes of becoming a nurse practitioner. The financial assistance you provided will be a great help to me as it will allow me more time to focus on education, volunteer work, and community services.

Again, my lifelong dream of attending the University of Florida is moving forward, thanks to generous educational scholarships like yours. I promise you that I will work hard so that one day I can give something back to the community, possibly a scholarship to future students like myself.

Sincerely,

Tuyet Nguyen
